

## Job Posting

**Title:** Product Service Technician

**Company:** *Miller Technology*

**Location:** *North Bay, Ontario*

**Status:** *Full-time, Permanent*

**Company Profile:** Miller Technology Incorporated is a privately owned and operated Canadian business that specializes in mobile and utility equipment for the mining, tunneling and construction industries. Since the company's inception in 1979, Miller Technology has grown to a staff of 60 employees and a 55,000 ft<sup>2</sup> facility. Miller Technology offers Sales, Parts and Service to customers as well as in-house Manufacturing, Engineering and Research and Development. Miller Technology is an ISO-9001 Certified Company.

### Job Description:

- The Product Support Technician is responsible for duties such as assembly, maintenance, repair, commissioning and training of products as well as offering inspection audits and promoting Miller Technology Products at the customer sites.
- A travel commitment of approximately 50% of the employee's schedule. Local travel as well as domestic and international may be required.
- Develop and complete training programs for each key product for customer operators and maintenance staff in class room and hands-on.

### Qualifications:

#### Experience

- 5+ years

#### Education

- Post-Secondary credentials (Mechanical and/or Electrical Engineering would be considered an asset)
- Train The Trainer Certification would be considered an asset

#### Skills

- This position requires an excellent practical and theoretical knowledge of electrical and hydraulic systems, the ability to program and diagnose computer control systems and diagnostics and troubleshooting.
- Experience in CAN based vehicle systems, J1939 preferred.

#### Working Conditions

- In Miller Technology Shop and at customer mine sites both at surface and below ground.

#### Prerequisites

- Valid Driver's License and Passport

#### Work Hours

- 8:00 am-5:00 pm, Monday to Friday
- Hours outside of this schedule as well as evenings and weekends may be required.
